A NEW BEGINNING

We began so very young —
We stood so small, in a world of daily development.
We stumbled now and then,
Skinning knees and
Picking ourselves up in the face of defeat.
We awed and saddened our parents
With our gradual and steady growth.
We always dreamed of reaching the brightest star —
An ideal idea — yet so important to our lives.
And here we are again —
Young, yet nearly grown,
Unsure, yet eager.
Ready to start in a much larger world —
Ready to make another beginning.

ACTIVITIES

AMERICAN FIELD SERVICE

1972-73 has been a big year for AFS at Nauset. This has been our first year with an active student AFS Club which, backed up by an enthusiastic adult board, really accomplished a great deal about bringing AFS to Nauset's community. We started off in September with monthly meetings which included programs such as Mary Smith's slides of Turkey and account of her stay there. Later, Mr. Colin Temblett-Wood entertained the group with some slides and a fascinating discussion about sights and scenes in England, to mention but two. The Student Club sponsored some successful money raising activities such as a carwash, buffet suppers and Christmas Card sales. The special highpoint of our year, of course, was Bill Arino our own mad, Latin "Lubber." His quick smile seized Nauset by storm. It took but a few days for him to become an expected sight around the campus. Nauset is going to lose part of itself when he goes.

ARGENTINA

My story starts in June 1971, when I first apply for A.F.S. I knew that I was one of the finalists. After that, until July 27, I had a hard time writing for the scholarship.

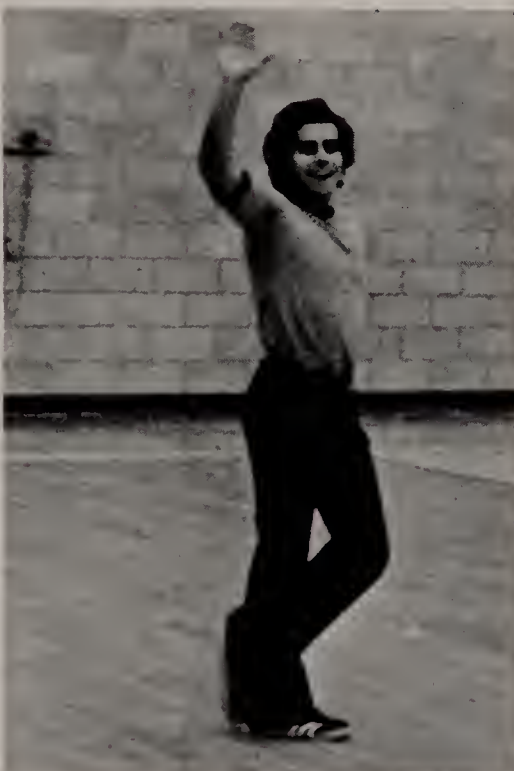

In August 13, I left Rosario, Argentina, and after twelve hours flying in a plane with three motors, (one didn't work) I saw the U.S. for the first time. I spent three days in New York, in C.W. Post College, with kids from all the world. It was great. Then, I met my family for the first time in Framingham. In that moment, I had to forget my Spanish, and start trying to talk in English, and in that moment a wonderful experience began.

Since my first day at school, I made a lot of friends who gave me a hand when I needed, and helped me to understand the language. I find that, in general, the school is easier than the one in my country, and it's better too. We have more fun, we have the chance to practice more sports, and it isn't only study, which is very good!

I have the opportunity to know a considerable part of the U.S. and I'm very happy about that, because when you go to another country, you really want to know it.

Now I know that it will be very hard to leave my family and friends, but I am looking forward to come back and see them again.

Signed,
"Bill" Arino

TURKEY

“Merhaba, Nasilsiniz?”

That's how they say it in Turkish. I was fortunate to be Nauset's 1972 American Field Service “Americans Abroad” candidate. I was involved in the summer program and spent June 20, 1972–September 1, 1972 in Turkey. There I lived in what used to be Constantinople, now the teeming city Istanbul — known as the crossroad between East and West.

My Babam (Turkish father) who worked in a bank, my Annem (Turkish mother) a housewife, Umit my sister and Erdal my brother, 17 and 14 respectively, took me right into their loving family and treated me as their own. Although language and customs are quite different, the differences were easily overcome. My Turkish family made me feel instantly at home and were as willing to learn from me about American customs as they were to teach me about Turkish life-style and history. I had so many amazing experiences this summer — from swimming in the Black Sea to dining with a Sheik.

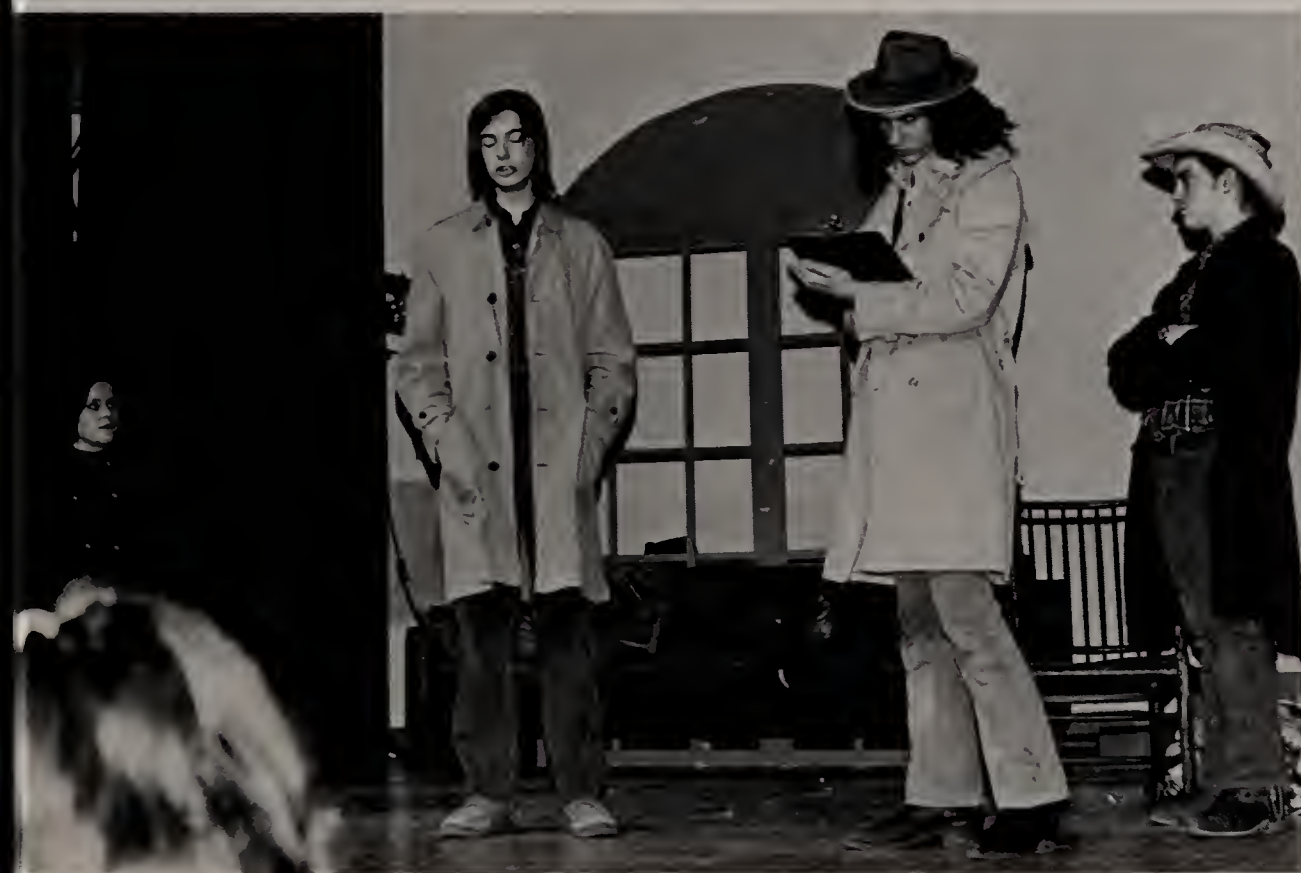

As Istanbul is one of the world's major cities, now it is very much attuned to the Western World. It seemed strange that a city could be so diverse. Many aspects of it were very cosmopolitan, yet the muezzins called from the top of the minarets inviting the Moslems to pray four times a day.

Istanbul was a unique place. I knew nothing about it before my adventure but learned a great deal there about differences in life and people. I'm so grateful to have gone to Turkey. My AFS experience is one that I'll always remember.

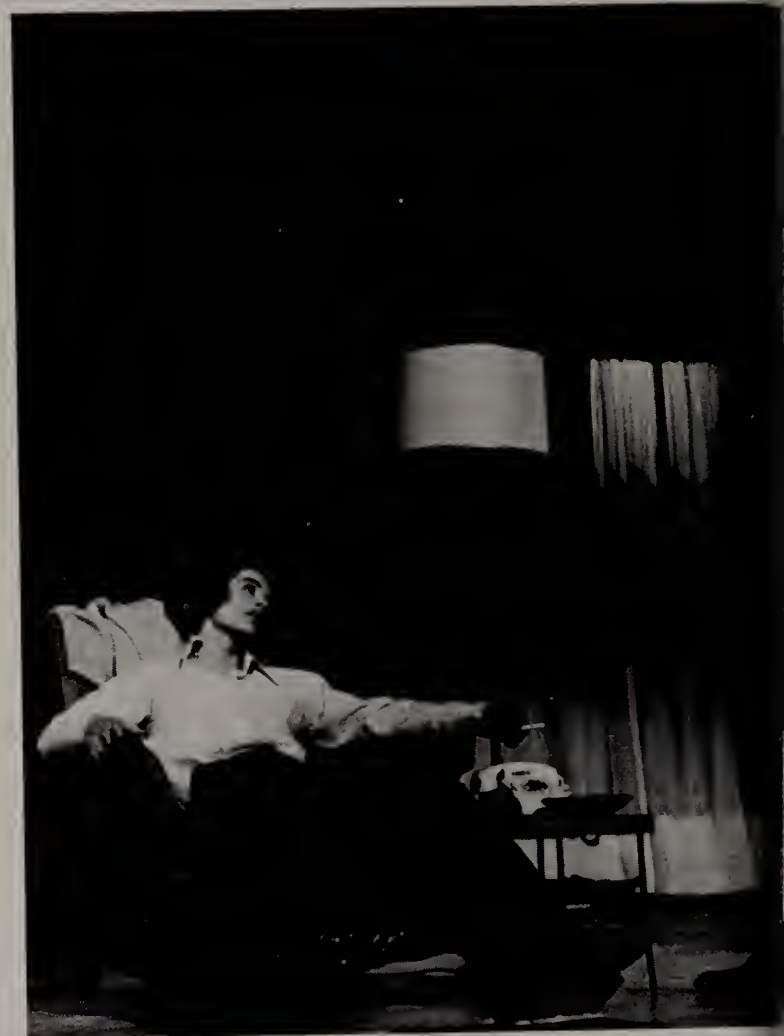

FIVE FINGER EXERCISE

DRAMA

Nauset Drama had a busy year this year, with visits to the Harwich Winter Theater and a trip to Boston to see "Godspell" and "Lion in Winter." Peter Shaffer's "Five Finger Exercise" was a successful and powerful production put on for the fall presentation. Mrs. Jean Emerson enriched her drama classes with uproarious weekly dance lessons along with improvisations and living theater.

Cross Country

A fine year for the long distance runners, with the best record ever at Nauset, the largest squad, the addition of girl runners (who won their only dual meet vs. DY), first-ever victories over Taber and Old Rochester, and the first time Nauset had all five scoring runners in the top 100 at the State Meet.

Ed McPartland and Steve Oliver fought it out for top-runner honors with Co-Captains Grew and Burdick right behind them along with Senior rookie Wayne Crespo.

The only two teams to beat us, DY and Wareham, were champions in their respective leagues. We handled everyone from the Cape and Islands group. All in all, it was a memorable year despite all the rain we had to run in.

(low score wins)

Penney, Stan Wilcox, Peter Melcher, Chuck Melcher, Bill Ramsay, Bruce Dunne, Noel Dunham, David Mulholland.

The varsity soccer team, after losing its first game of the year at Barnstable, went on to 17 straight games without a loss — an all-time Nauset and League record. Closing out the regular season with a 13-1 record, the Cape Champion Warriors advanced to the EMass State semi-finals — going further in post-season playoff action than any squad in Cape soccer history.

Highlights of the season included junior Scott Newcomb's 28 goals to break the Cape record, and the election of Newcomb and fullbacks Noel Dunham and Steve Bennett to the All-Cape All-Star team. Nauset's over-all record was 17-2-1, and the team scored 50 goals on the year.

Cape Field Hockey Champs

Nauset's 1972 varsity field hockey team broke the Sandwich girls 3-year string of Cape titles to give the Nauset the Cape Championship for the first time since 1966. The Nauset girls tied the Blue Knighties twice, but held on to shut out every other team in the League en route to a 8-0-2 record.

Senior Laurie Smith led a team scoring effort with 10 goals on the year, and senior Bonnie Macdonald had 7. Junior goalie Laurie Young backboned a tough defense which posted 9 shutouts in 10 games, and allowed only 1 goal all year. This highly-spirited team played well all season.

The defense played really well all season, and took after the varsity in allowing just 1 goal all year. Senior Nancy Norgeot coached the team and did a really fine job.

Good Luck from Wellfleet News Store, Main St., Wellfleet, Mass.

J.V. Soccer

The junior varsity soccer team compiled a record of six wins, five losses, and one tie. Freshman David Lajoie led the scoring with 13 goals, followed by classmates Rich Higgins with 4, David Gage and David Abel with 2, and Paul Holbrook, Tim Gainey, and Dana Eldridge with one each.

Sophomore goalie Kim Shea consistently looked good in the nets, and he, along with left wing Lajoie, centerforward Higgins, and fullback Holbrook, look like promising prospects.

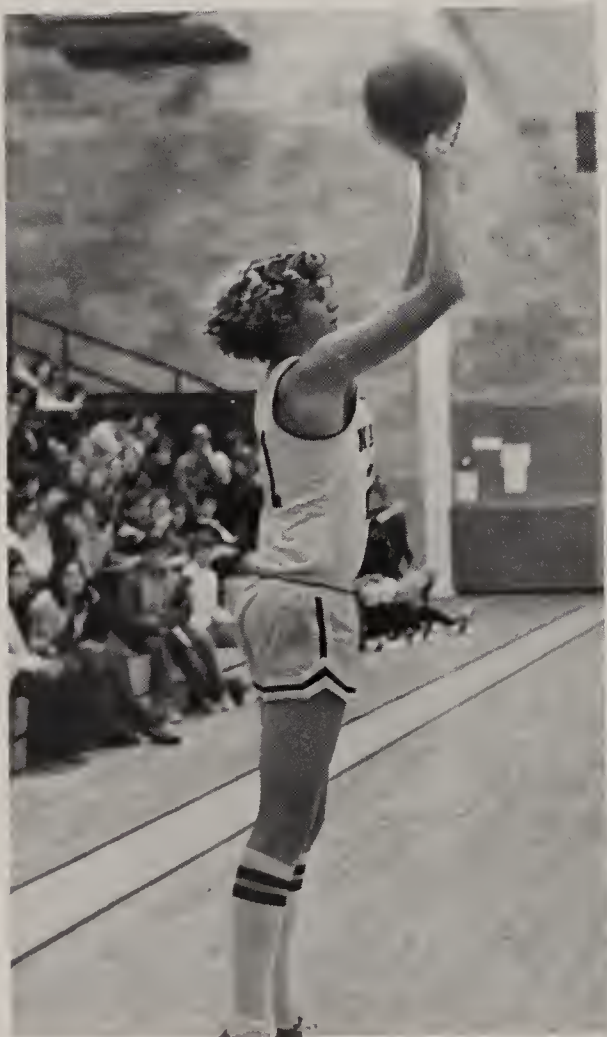

First Row: Ken Fettig, Kim Shea, Rick Higgins, Dana Eldridge, Paul Holbrook, Dave Brownville, Bob Syvanen, Chris Chambers. **Second Row:** Dan Yonce, Steve Payne, Bill Staib, David Abel, Peter Putnam, West Waters,

1st row: student trainer Bruce Hunter, Assistant Coach Jim Yeutter, Head Coach Miller, Assistant Coach White, Manager Steve Samry **2nd row:** Leighton Taylor, Duncan Penney, Bill Ramsay, Steve Phillips, Captain David Mulholland, Steve Bennett, Peter Woods, Doug Ramsay, Steve Oliver, Scott Newcomb, Rick Tyng, Keith Clark.

Nauset's Boys Varsity Basketball team, after two years of finishing towards the middle of the Cape and Islands League standings, ended up in second place this year.

Captain David Mulholland led the Warriors back near the top of the League and into the quarter-finals of the State Tech Tournament, where Nauset lost to Cathedral, the eventual Division III State Champs.

The Warriors put together good height and overall team experience to challenge the Vineyard for the Championship. Last year's sophomores returned with a year of experience under their belts, and the added experience allowed Coach Leo Miller to use eight players (including five juniors and one sophomore) regularly. Nauset boasted 7 players six feet or over, and was one of the tallest teams in the League. Both 6-3 center Steve Bennett and captain Mulholland were elected to the 13-man C. and I. League All-Star Team.

The emergence of Bennett and Doug Ramsay to dominate the boards and take the good shots in close, Peter Woods and Mulholland to hit from the outside, Steve Oliver to cut to the open spot, and little Keith Clark as the quarterback of the club told the story of the Warriors' 72-73 success.

Junior Varsity Basketball

The boys JV Basketball Team romped for a 13-2 overall record under Coach Paul White. Two teams of five players each were used almost interchangeably.

Don Reeves led the team in scoring and rebounding; guards Kim Shea and Russ Bassett topped the team in assists and steals, respectively, and forward Bill Heines took squad honors in rebounds.

The high point of the season was the 64-51 win over Martha's Vineyard. It was the Vineyarders' first league loss in three years, and their only loss of the season.

After a championship 1971-72 season, the Nauset Girls were forced to share second place this year. Led by captain Ellen Avellar and high scorer Tina Tarvers, the girls played very well against most of their opponents, and took most of the games by lopsided scores.

This was a rebuilding year for Coach Judy Butterfield's team, and although the girls lost 4 League games, it seemed that everyone enjoyed the season.

Gymnastics

The Gymnastics Club, new at Nauset this year, was started and directed by Nauset's P.E. student teacher, Vincent Klimas, from Springfield College. Interest grew quickly, and by late February an exhibition was scheduled. The March 1st event included an informal meet with D.Y., many performances on the different apparatus, parachute stunts, floor exercises, educational demonstrations, and a short section in men's gymnastics.

Coach Klimas provided the initiative for the group and it is hoped that a similar gymnastics program can be planned in the future without the expert aid of Mr. Klimas.

Standouts for the club included, among others, Ed McPartland, Mary Nolin, Cheryl Denne, and Debbie Seaverns.

But it must not be sought for or — heaven forbid — dug for. No, no dredging of the seabottom here. That would defeat one's purpose. The sea does not reward those who are too anxious, too greedy or too impatient. To dig for treasures shows not only impatience and greed, but lack of faith. Patience, patience, patience is what the sea teaches! Patience and faith. One should lie empty, open, choiceless as a beach — waiting for a gift from the sea.
